

JGA Guitar Music Festival

Japan School Guitar Ensemble Contest 2023

Guidelines for Applicants

Gist of Session

Guitar ensemble is the best and the brightest system of developing sense of music and socializing skills at the same time. Especially in the educational process in schools, students are able to obtain lifelong friends and a lifelong instrument.

This contest aims upbringing of youth with a rich spirit and to make music a part of their lives.

Therefore, this contest does not have any restrictions on the size of ensemble or the types of instruments as long as the ensemble is formed of only students.

The venue is going to be the classical music hall that has one of the foremost effects of good acoustic in Japan therefore we encourage the participants to make the most of the resonance of guitar.

JGA Guitar Festival "Kyo-en in Tokyo" will also be held at the same time where all the first-prize winners of solo performances from different competitions will gather and perform. It will surely be a future goal for the participants witnessing their gorgeous performances of their age.
